The Friends of Chalfont St Giles Community Library

What is the role of the Friends?

The Friends are the supporting membership of the Community Library. An important component of the library's income comes from Friends' membership subscriptions and donations.

The library is run and operated entirely by volunteers from the village.

The objective of the Community Library is to run a small but high quality public library and information centre, free to use and focussed on the needs of local residents. This entails running a local book stock linked into the Bucks County Library system. The library supports and encourages children's reading. The library provides the only public internet access in the village together with free Wi-Fi. Local activities are run in the library for both adults and children.

The Friends run a literary group who arrange author talks in the village.

To become a Library Friend in 2018

To be a Library Friend in 2018 please fill in the attached form and return it with your payment to the Subscription Secretary. The subscription is £10 per annum per person minimum but you may of course give more. A standing order will give you continuing membership. You will receive an annual newsletter.

You can boost the amount given to the library by 25p of Gift Aid for every £1 that you give. If you meet the requirements for Gift Aid and you tick the Gift Aid box then the Community Library can reclaim the basic rate tax from HM Revenue and Customs. Thus your donation is increased at no cost to you.

You can become a volunteer

If you have any spare time you can also help as follows:

- Becoming a library or information volunteer
- By working on the book stock
